Dear Families,

Attached you will find an interest questionnaire that we are using to help plan just how your child(ren) would like to be included in the worship service and Eucharist. We hope that there are a few things that interest them and that they would be comfortable doing. It is my hope that as they are included more and more, their comfort level will increase and they will be willing to take on more and different tasks.

Please encourage your child(ren) to think about this and decide what they would like to do. Even the littlest child can be a greeter! Of course there are some tasks that have requirements (reading, being able to carry, attention, etc.), but we will work with each child to make sure they are able to do something.

Thank you so much for your help with this, please return the questionnaire to me as soon as possible so that we can begin to prepare the children.

Yours Truly,
Mrs. Mac
